1 A BILL FOR AN ACT ENTITLED: "AN ACT TO MANDATE PICKUP OF RECYCLABLE
2 PRODUCTS IN ANY TOWN THAT OFFERS ROADSIDE TRASH REMOVAL."
3 BE IT ENACTED BY THE MONTANA YMCA YOUTH LEGISLATURE:
4 Section 1: Any town that offers the service of trash pickup must also pickup recyclable products.
5 Section 2: The County must either pickup the trash or contract the trash pickup to the lowest
6 bidder.
7 Section 3: There will be three reciprocals at every residence one for trash, one for containers,
8 and one for paper products.
9 Section 4: Residents will sort their recycled products and place them into separate colored
10 reciprocals from their trash. When the garbage collectors come to pick up the garbage they will
11 also pick up the recyclable products and place them in a separate container.
12 Section 5: Each truck will be divided into three containers, unless more economical to have
13 separate collectors, and the products will be placed accordingly.
14 Section 6: The recycled products will include aluminum and tin cans, soft plastics, and papers.
15 Glass would not be collected, because of concerns that it would contaminate the other recycled
16 products if broken.
17 Section 7: This bill will become effective on January 1st 2008.
