A BILL FOR AN ACT ENTITLED: "AN ACT TO REQUIRE MAJOR POLITICAL PARTIES IN MONTANA TO USE OPEN PRIMARIES"

BE IT ENACTED BY THE MONTANA YMCA YOUTH LEGISLATURE:

Section 1. All major political parties including the Republican and Democratic parties must use the open primary process for their nominations and delegate selection including the presidential primaries.

Section 2. All elections, including nominations must follow the one man one vote concept so that any one Montanan's vote counts for no more than another's.

Section 3. All presidential primaries held in Montana must be on a percentage rather than a winner take all so as to more accurately reflect the vote of each Montanan.

Section 4. Any party boss convicted of violating this law will be imprisoned not less than 20 years and prohibited from involvement in Montana politics for the rest of their natural life.

Section 5. This bill will go into effect immediately upon passage.
