1 A BILL FOR AN ACT ENTITLED: "An act for schools to require teacher evaluations by their
2 students at the end of each school semester."
3

4 BE IT ENACTED BY THE MONTANA YMCA YOUTH LEGISLATURE:
5

6 **Section 1:** After the end of each semester test, students will be required to fill out an evaluation
7 of the teacher with questions concerning the teacher's knowledge on the subject, amount learned
8 on the subject by the student, work accomplished under this teacher, personality of the teacher,
9 and the overall rating of the class.
10

11 **Section 2:** Once each evaluation has been made, the evaluations will be presented to the school
12 board for analysis on each teacher. If the majority of the students and board members approve of
13 the teacher, then he/she will be approved for the next school year. If the students and school
14 board disapprove of a teacher, then the board may vote on reinstatement of the teacher. If the
15 teacher fails, they would then have to reapply, along with other applicants, and be rehired.
16

17 **Section 3:** Evaluations must be kept confidential to all for the safety of the students.
18

19 **Section 4:** This bill will become effective for the 2009-2010 school year.
