15 MOUNTAINS"

16
17 BE IT ENACTED BY THE MONTANA YMCA YOUTH LEGISLATURE:

18
19 **Section 1 Intent:** To allow oil companies to drill of oil in the state of Montana. This will
20 allow for Montana to reduce the cost of importing energy and become and export state. This bill
21 will effectively decrease the taxation on gas and introduce an economic growth.

22 **Section 2 Action.** Open up the north eastern corner of the state for oil drilling. This
23 section will be in the Bakken Oil Formation and Part of the Wilson Basin. This part of Montana
24 contains the cities of Syndey and Whitetail, as well as Glendive. In order to allow for drilling
25 companies to build refineries, the Fish, Wildlife and Parks services would be mandated to control
26 the location of the drilling as to make sure to not invade private or park lands. They will also
27 insure the environmental safety of the drilling as to not pollute the surrounding land or water.

28 **Section 3 Funding.** No additional funding will be needed for this bill.

29 **Section 4 Enforcement.** Montana Fish,Wildlife, and Parks shall be in charge of location
30 and safety of the drilling.

31 **Section 5 Enactment.** This bill will go into effect upon the passing of the bill due to
