Senate Committee: _____

Senate: _____

Delegation: Park High School

Governor: _____

Referred to Committee:

****

A BILL FOR AN ACT ENTITLED: "SALES TAX! WORTH A SECOND LOOK."

BE IT ENACTED BY THE MONTANA YMCA YOUTH LEGISLATURE:

Section 1: This bill would implement a sales tax on the people in Montana as well as the tourists that come to this state every year.

Section 2: It would put a 2.5% tax upon everything with exception to grocery foods and pharmaceuticals.

Section 3: There would be an increased credit on their income tax returns, enough to nullify the sales tax on the people who live in Montana and file a tax return.

Section 4: Money:

2.25% would go to the state to be put into the general fund.

.25% of the income from the tax would go to local government for infrastructure projects.

Ex: If Park County Gained 6 million dollars in a sales tax, 1.25 million would be put directly back into the community for infrastructure projects, such as the maintenance of bridges or local parks.

Section 5: This bill will go into effect on the June 1, 2010.
